PROFESSIONAL SUMMARY

Detail-oriented and self-driven individual with strong communication, analytical, and technical skills. Experienced in administrative support, data management, and digital workflow optimization through roles in freelance services and as an Executive Assistant at Athena. Skilled in Salesforce, Outlook, and Excel for managing client information, scheduling, and business operations. Background includes travel coordination, cost analysis, and project documentation. Customer-centric professional with 2+ years of experience in sales and administrative support, specializing in solution-based communication and digital workflow optimization. Proven track record of maintaining high service standards in fast-paced environments while working independently in remote settings. Currently pursuing a Bachelor of Business Information Technology, I combine academic knowledge with hands-on professional experience to deliver efficient, accurate, and results-driven support.

PERSONAL PROFILE

- Strong attention to detail
- Effective communicator and team player
- Able to work independently under minimal supervision
